NOTICE OF OPPOSITION

Opposer Frito-Lay North America, Inc. (“Opposer”), a Delaware corporation having a place of business at 7701 Legacy Drive, Plano, Texas 75024, believes it will be damaged by the issuance of a registration to Signature Snacks L.L.C. (“Applicant”), a limited liability company organized under the laws of the United Arab Emirates and having an address at P.O. Box 474006, Dubai, United Arab Emirates, upon its Application Serial No. 86/742,808 for the mark

SKOOPS

(“SKOOPS Stylized”) for “Processed nuts; dry fruit mix” in International Class 29 and for “Chocolate coated nuts” in International Class 30 (“the Application” or “Applicant’s Mark”), and having been previously granted extensions of time to oppose, hereby opposes the Application on the following grounds:

1. On information and belief, on August 31, 2015, Applicant filed the Application based on an intent to use Applicant’s Mark in commerce for “Peanuts; nuts; dry fruits; seeds;

raisins; dates; preserved fruit; fruit peel; fruit based snack foods; yoghurt; potato chips; hummus” in International Class 29 and for “Almond; roasted corn; coca products; confectionery; chocolate; coffee; almond confectionery; fruit jellies confectionery; popcorn; caramel candy; honey” in International Class 30. Applicant subsequently amended the Application to reflect an intent to use Applicant’s Mark in commerce for “Processed nuts; dry fruit mix” in International Class 29 and for “Chocolate coated nuts” in International Class 030 (collectively, “Applicant’s Goods”). Applicant’s amendment to delete many of the goods in its Application came after Opposer’s trademark was cited against Applicant’s Mark.

2. Opposer, through its predecessors in interest and title, and through its related companies, divisions, and/or licensees, has been engaged in the manufacture and sale of snack foods for over fifty years and is now one of the largest manufacturers of snack foods in the United States.

3. Opposer’s snack foods, including but not limited to salty snacks such as tortilla chips and corn chips, are marketed and sold in tremendous quantities on a nationwide basis, supported by many millions of dollars of advertising and promotion each year. Opposer’s food products are sold in almost every supermarket in the United States as well as in numerous convenience stores, vending machines, mass merchandise stores, schools, and other outlets.

4. Opposer has used the mark SCOOPS! and variants thereof in the United States on and in connection with snack foods and related products, including but not limited to salty snacks, since at least as early as September 1, 1994. Specifically, Opposer has used the SCOOPS! trademark in the United States on and in connection with corn chips since at least as early as September 1, 1994 and tortilla chips since at least as early as April 30, 2001. Opposer has used the SCOOPS! trademark in the United States on and in connection with such goods

continuously and such mark has been identified with Opposer and has appeared on a tremendous amount of advertising and marketing materials, since long prior to the filing date of the Application.

5. Opposer has, by virtue of extensive usage, advertising, and promotion, built up a very high level of consumer and trade recognition symbolized by its mark SCOOPS! for snack foods, including but not limited to salty snacks such as tortilla chips and corn chips. Due to extensive public exposure to, and awareness by, consumers and the trade, the mark SCOOPS! is famous and possesses an extremely favorable reputation and distinctiveness with an invaluable amount of goodwill, solely signifying Opposer as the source of such snack food products.

6. Each year for at least the last 10 years, Opposer has sold millions of dollars' worth of snack food products in connection with the mark SCOOPS!. By virtue of its tremendous sales success, and extensive and popular advertising and promotional efforts, Opposer's SCOOPS! trademark has long enjoyed strong brand recognition and distinctiveness that has resulted in a highly favorable reputation and goodwill among the trade and consumers as identifying high quality snack food products manufactured and sold exclusively by Opposer.

7. Opposer is the owner of valid and subsisting trademark registrations on the Principal Register of the United States Patent and Trademark Office for the mark SCOOPS!, including but not limited to the following:

U.S. Reg. No.	Trademark	Registration Date	Goods
2169771	SCOOPS!	June 30, 1998	CORN CHIPS (in International Class 30)
2607988	SCOOPS!	August 13, 2002	CORN-BASED SNACK FOODS, NAMELY, TORTILLA CHIPS (in International Class 30)

8. The foregoing registrations are hereinafter referred to as the “SCOOPS! Registrations.” Copies of the SCOOPS! Registrations and printouts from the United States Patent and Trademark Office database showing the current title and status of such registrations are attached hereto. The SCOOPS! Registrations are valid and subsisting, and incontestable under Section 15 of the Lanham Act. The SCOOPS! mark, represented by the SCOOPS! Registrations, is inherently distinctive and has become assets of considerable value to Opposer.

9. Applicant’s filing of the Application and Applicant’s plans to use Applicant’s Mark are without the consent or permission of Opposer.

10. On information and belief, Applicant’s filing of the Application and any intent to use Applicant’s Mark have been with knowledge of the extensive prior use by Opposer of the SCOOPS! mark and the SCOOPS! Registrations. As noted above, Opposer’s SCOOPS! Registrations were cited against the Application for Applicant’s Mark.

11. Opposer has priority over Applicant because its use, application filing dates, and registration dates for the SCOOPS! mark long precede Applicant’s filing date for the Application.

12. Applicant’s Mark is nearly identical to Opposer’s registered and previously used SCOOPS! mark. Applicant’s SKOOPS Stylized mark is similar to Opposer’s registered and previously used SCOOPS! mark in sight, sound, and connotation. Applicant’s SKOOPS Stylized mark has an identical pronunciation to Opposer’s SCOOPS! mark, an identical connotation as Opposer’s SCOOPS! mark, and a highly similar appearance to Opposer’s SCOOPS! mark.

13. Applicant's Goods compromise snack foods, including salty snack foods. Applicant's Goods are similar to and/or closely related to Opposer's snack food products sold under the SCOOPS! mark.

14. Applicant's Goods would be sold in identical or similar channels of trade as Opposer's snack food products sold under the SCOOPS! mark and would be purchased by the same or similar consumers.

15. When encountering Applicant's Mark on Applicant's Goods, consumers are likely to be confused that Applicant's Goods originate from Opposer, by incorrectly assuming that either Opposer is the actual source of Applicant's Goods or that Applicant's Goods are sponsored by, affiliated with, approved by or endorsed by Opposer.

16. Applicant's Mark is confusingly similar to Opposer's SCOOPS! mark, and the registration thereof by Applicant in connection with Applicant's Goods is barred by the provisions of Sections 2(d) and 43(a) of the Lanham Act because Applicant's Mark consists of or comprises a mark which so resembles a mark previously registered in the United States Patent and Trademark Office and/or used in the United States by Opposer and not abandoned, as to be likely to cause confusion, mistake, or deception that Applicant's Goods are those of Opposer or are otherwise endorsed, sponsored, or approved by Opposer, or cause confusion, mistake, or deception as to the affiliation, connection, or association between Applicant and Opposer.

17. Applicant and Applicant's Goods are not affiliated with, sponsored by, approved by, endorsed by, or licensed by Opposer.

18. If Applicant is permitted to use and register Applicant's Mark in connection with Applicant's Goods, confusion in trade resulting in irreparable damage and injury to Opposer would be caused by reason of the similarity between Applicant's Mark and Opposer's famous

and well-known SCOOPS! mark. Furthermore, any defect, objection, or fault found with Applicant's Goods marketed under Applicant's Mark would necessarily reflect upon and seriously injure the reputation that Opposer has established for the goods sold under its SCOOPS! mark.

19. Opposer's SCOOPS! mark is famous, as provided in Section 43(c)(2) of the Lanham Act, 15 U.S.C. § 1125(c)(2), and became famous long before the filing date of the Application. If Applicant is permitted to use and register Applicant's Mark in connection with Applicant's Goods, as specified in the application herein opposed, Opposer's SCOOPS! mark would be diluted, as such term is defined in 15 U.S.C. § 1125(c)(2). Dilution of another's trademark under Section 43(c) of the Lanham Act constitutes grounds for opposition to a trademark application. 15 U.S.C. § 1063(a).

20. If Applicant is granted registration for Applicant's Mark, Applicant would thereby obtain a *prima facie* exclusive right to use such mark, and such registration would be the source of irreparable damage and injury to Opposer.

WHEREFORE, Opposer prays that this Opposition be sustained, that registration be denied to Applicant on its Application Serial No. 86/742,808 and that the Board grant all further relief favorable to Opposer that is necessary and just in these circumstances.

Respectfully submitted,

Date: August 28, 2016
